Cancellation of a Session

Please call a minimum of 24 hours in advance to change or cancel a session, otherwise the full payment of the session will be due and must be paid prior to continuing sessions with me. I appreciate being advised ahead of time; this courtesy allows me to minimize the financial impact of cancellations by offering the time slot to another client. I understand there will be exceptional circumstances (hurricanes, sudden illness) and each will be addressed on an individual basis.

Session Start Time/Lateness

Please be on time for your session. If are you late for a session, we will use the time remaining in your scheduled time. The session will **not** be extended to account for a late start and full payment will still be due.

Returned Checks

There is a \$20 charge for processing checks returned by the bank.
